#### Bond Security Maturing Action Required

We have been notified by the Collections and Billings Department of the Bureau of Land Management's (BLM) National Operations Center that your \$68,000 Treasury Note, covering bonding requirements for federal gilsonite leases UTU-0126943 and UTU-86167, will mature effective September 15, 2014.

This bond is still required to be maintained. Please advise Bill Buge of this office at (801) 539-4086 and Debbie DeVan at the BLM National Operations Center at (303) 236-4104 as to whether you will be providing a replacement security or requesting the National Operations Center to do a roll-over of the existing security. Thank you for your assistance in this matter.
